PERSONAL TRAINING & GROUP CLASSES SPORTS CONDITIONING

“For people like me who prefer high-intensity, efficient workouts, the HIITAXLE is an absolute gamechanger. As part of my circuit, it’s the key to getting the best workout in 30 minutes or less. The combination of aerobic benefits and full body strength training the HIITAXLE provides is unmatched.”

Christopher A. Kanne
ENGSTROM, LIPSCOMB & LACK

The HIITAXLE is a functional exercise solution that can be implemented in a multitude of ways. Whether deployed in group exercise classes (HIIT & Bootcamp style), integrated into personal training sessions or used by an individual member **it will complement and amplify all other functional and traditional fitness routines.** The HIITAXLE system has a novel way of activating the core and upper body, evoking a cardiovascular response while delivering a highly innovative, unparalleled experience.

The HIITAXLE has a novel way of activating the core and upper body **delivering a highly addictive, unparalleled experience.**
